

**In a MEDICAL EMERGENCY,
gathering the appropriate
information is essential.**

We will ask you:

- 1 - What is the address of the emergency?
- 2 - What is the telephone number you are calling from?
- 3 - Okay, tell me exactly what happened.
- 4 - Are you with the patient now?
- 5 - How old is the patient?
- 6 - Is the patient awake?
- 7 - Is the patient breathing?

**Our dispatchers
work as a team.
While one is gathering
information, another
is dispatching
the help you need.**
